

“NATO Strategic Direction South – Projecting Stability”

NATO CIMIC Community of Interest Conference 2018, Rome

“Benvenuti a Roma”

-Why do we need CIMIC simulations?

Using simulations to approach complex problems

- Knowledge Gap;
 - Understanding Gap;
 - Thinking Gap;
 - Implementation Gap;
 - Evidence Gap;

PARTICIPANTS:

- HIGH UNCERTAINTY
 - IMPACT ON THE POPULATION
 - SOLDIER’S LUCK, INITIATIVE, RISK-TAKING
 - EFFECT ON THE REGION
 - UNINTENDED CONSEQUENCES
 - UNIVERSAL AND CONTEXT-DEPENDENT FACTORS
 - “I am a CIMICer.”
-

OBSERVATIONS:

- You can't prepare strategy ahead of time – the conditions change, other players influence your options;
 - Evidence that it becomes harder to stabilize areas at longer distance;
 - The end-goal needs to be local ownership;
-

Future:

- Advanced version with extended variables/factors;
 - Mali – Comprehensive Approach simulation;
